Description of the Course:
This is the first semester of a two-semester sequence in an introductory level general physics course. You are expected to read textbook before coming to the class and participate the in-class activities. On average, you should expect to spend 8 hours/week outside the classroom to do reading, homework and other assignments.

Required Items:
Classroom Response System: TopHat. Students must purchase access to TopHat and enroll this class in TopHat. This app can be used on your phone, labtop, desktop, ipad, etc.

Scientific calculator. Any calculator with trigonometric functions, exponential functions and scientific notation. You need to bring it to the class for in-class activities.

Grading Scale
• 92% ≤ A ≤ 100%
• 88% ≤ A– < 92%
• 84% ≤ B+ < 88%
• 80% ≤ B < 84%
• 76% ≤ B– < 80
• 72% ≤ C+ < 76%
- \(68\% \leq C < 72\%\)
- \(64\% \leq C- < 68\%\)
- \(50\% \leq D < 64\%\)
- \(F < 50\%\)

**Evaluation:**
Tests: (30%)
2 closed-book tests: 15% each

Homework: (20%)
Homework is assigned on Pearson’s MyLab&Mastering.
In addition to online homework, some problems will be assigned to write on paper with detailed solution, and will be collected in class in the following week.
No late homework will be accepted.

Attendance: (5%)
Attendance of the class is collected by participation of TopHat responses.
Correctness of the answer is not required for attendance.
Class attendance will be verified for University purposes during the first two weeks of class.

In Class: (20%)
In-class performance score is calculated by correctness of quiz questions on TopHat.

Final Exam: (25%)
Final exam is comprehensive, closed book.

Total: 100%

**Tests and Final Exam:**
Test dates and topics are subject to change. The final exam date is fixed and cannot be changed.
Test 1: 2/22 Chapter 1-4
Test 2: 4/10 Chapter 5-9

Final exam: Tuesday, May. 8, 8-11 am

**Policies:**
Academic Integrity
Every student of the University of Mississippi, by virtue of choosing to be part of the university community agrees to abide by the University of Mississippi Creed and the [UM Academic Integrity Policy](#) which covers academic integrity. Please consult the
M-Book, Academic Integrity document for details on university policy and the academic creed.

Cheating is forbidden and will result in a zero grade on the assignment. If a second case of cheating occurs, this will result in an F for the entire course.

**UM Creed**
The University of Mississippi is a community of learning dedicated to nurturing excellence in intellectual inquiry and personal character in an open and diverse environment. As a voluntary member of this community:
- I believe in respect for the dignity of each person
- I believe in fairness and civility
- I believe in personal and professional integrity
- I believe in academic honesty
- I believe in academic freedom
- I believe in good stewardship of our resources
- I pledge to uphold these values and encourage others to follow my example

All materials distributed electronically and in hard copy in this class are protected under intellectual copyright. Any attempt to upload these documents onto the Internet (or to distribute them by some other means) or to profit from the distribution (by Internet or other means) of these documents constitutes theft and will be in violation of intellectual property law and the UM Academic Conduct Code unless expressly permitted for by the instructor. Accessing such materials for your own use is also in violation of the UM Academic Conduct Code.

**University of Mississippi Access and Inclusion**
The University of Mississippi is committed to the creation of inclusive learning environments for all students. If there are aspects of the instruction or design of this course that result in barriers to your full inclusion and participation or to accurate assessment of your achievement, please contact the course instructor as soon as possible. Barriers may include, but are not necessarily limited to, timed exams and in-class assignments, difficulty with the acquisition of lecture content, inaccessible web content or the use of non-captioned or non-transcribed video and audio files. Students must also contact Student Disability Services at 662-915-7128 so that office can 1) provide you with an Instructor Notification form, 2) facilitate the removal of barriers and 3) ensure you have equal access to the same opportunities for success that are available to all students.

**Audio and video recording**
Audio and/or video recording of class lectures is not allowed unless explicit permission is given by the instructor. Permission will only be given if the student has a Student Disability Services request. In such cases, recordings may only be used by the student to whom permission is given and all recordings must be deleted at the end of the semester. Recordings may not be distributed online or elsewhere.
