

Spring 2017 Physics 223/224 TA Schedule

All Monday sections are Phys 223.

Tuesday through Thursday are Phys 224.

This schedule is tentative and subject to change. If you wish to change lab sections **before the spring semester begins** you may simply stop by the main office in Lewis hall and ask Amy Barnes to make the change for you. If you attempt to switch sections yourself it will automatically drop you from the lecture as the lab is a co-requisite.
