Physics 215 Pre-Lab
Exp. 13 - Geometric Optics

1. What is the law of reflection? (1 pt)

2. State the law of refraction. Write the equation. (2 pt)

3. Define parallax. (2 pt)

4. What is the definition of a ‘virtual’ image? (2 pt)

5. What is total internal reflection? (2 pt)

6. Define critical angle. (1 pt)
