

How to Print from Vernier Graphical Analysis Software

- 1) Ensure that you are looking at a full-screen view of the software.
- 2) Press the button combination:  + Print Screen
- 3) A screenshot of your plot will be saved in the folder: Pictures --> Screenshots
- 4) When you click on the picture, you will get this pop-up:

UNCHECK this box!

- 5) Print your plot.
- 6) Before leaving the lab, DELETE all of the screenshots from the Screenshot folder!
